Gewürztraminer

As one of the most challenging varieties to grow, Gewürztraminer gets a lot of attention from our vineyard crew. Just one vineyard site on the entire estate is properly suited for this outstanding grape. Southern exposure and careful trellising result in a very aromatic and distinctive wine. Notes of rose petal, lychee, and passion fruit finish dry and pair well with Pacific Rim dishes or creamy cheeses.

From our land, to the vine, to the barrel, and now to you, the bottle of wine in your hands represents the abundance and unique character of this estate. Sustainable farming practices and a passion for great wine inspired this distinctive, estate grown Gewürztraminer.
