2008

Almost Dry Riesling

*T*asting Notes

2008 was a picture perfect year for Riesling with just enough rain late September to keep the vines going and then sunny, cool weather the last half of October allowing the Riesling to slowly reach perfect ripeness. Our '08 Almost Dry offers a beautiful aroma of lime, fresh flowers and tangerine with hints of lilac. On the palate it has an elegant, almost silky yet fresh entry with flavors of grapefruit accented with mandarin and tangerine. The finish shows the refreshing, palate cleansing acidity with an almost imperceptible sweetness that accents the lingering citrus and mineral flavors.
