

MONTINORE ESTATE

2014

RESERVE PINOT NOIR

Willamette Valley, Oregon

While our “Red Cap” Pinot Noir is regarded as being one of the greatest values in Pinot Noir from Oregon, our Reserve Pinot Noir exemplifies the finest that our diverse estate vineyard has to offer. We choose our very best individual vineyard blocks and best barrels to go into this wine, with production significantly lower than Red Cap. This wine has long enjoyed an enviable reputation of excellence with years of 90+ ratings from Robert Parker’s The Wine Advocate, Stephen Tanzer’s International Wine Cellar and Josh Reynolds of Vinous.

Bright red. Smoke- and spice-accented aromas of black raspberry and cherry pit slowly develop a musky herb nuance. Sappy and precise on the palate, offering sweet red fruit and cola flavors and a hint of musky herbs. Takes a turn to darker berry fruit on the long, gently tannic finish, which features a vanilla nuance that adds appealing, clinging sweetness.

Sexy, expansive aromas of ripe red berries, cola and pungent flowers, with a spicy element adding vivacity. Attractively round and supple for the vintage, with a long, gently sweet finish framed by fine-grained tannins. ~ Josh Reynolds

2012

Stephen Tanzer's
INTERNATIONAL WINE CELLAR

Musky cherry and dark berries on the perfumed nose, with suggestions of dried rose, underbrush and minerals adding complexity. The berry note carries strongly through the long, spicy finish, which is given shape by smooth, slow-building tannins. ~ Josh Reynolds

Stephen Tanzer's
INTERNATIONAL WINE CELLAR

Lively aromas of red berries, cherry, Asian spices and fresh rose. Shows deeper blackberry and cola qualities on the palate, with peppery spice notes adding lift and cut. Closes sweet, spicy and long, with lingering floral character and impressive clarity. ~ Josh Reynolds

2009

Robert Parker
Wine Advocate

The 2009 Pinot Noir Estate Reserve offers up an alluring perfume of cedar, spice box, floral aromas, cherry, and boysenberry. Intense, savory, and supple on the palate, it has enough balance and structure to evolve for 1-2 years. ~ Dr. Jay Miller
